THE SENIOR CLASS

Our Lady of Angels High School

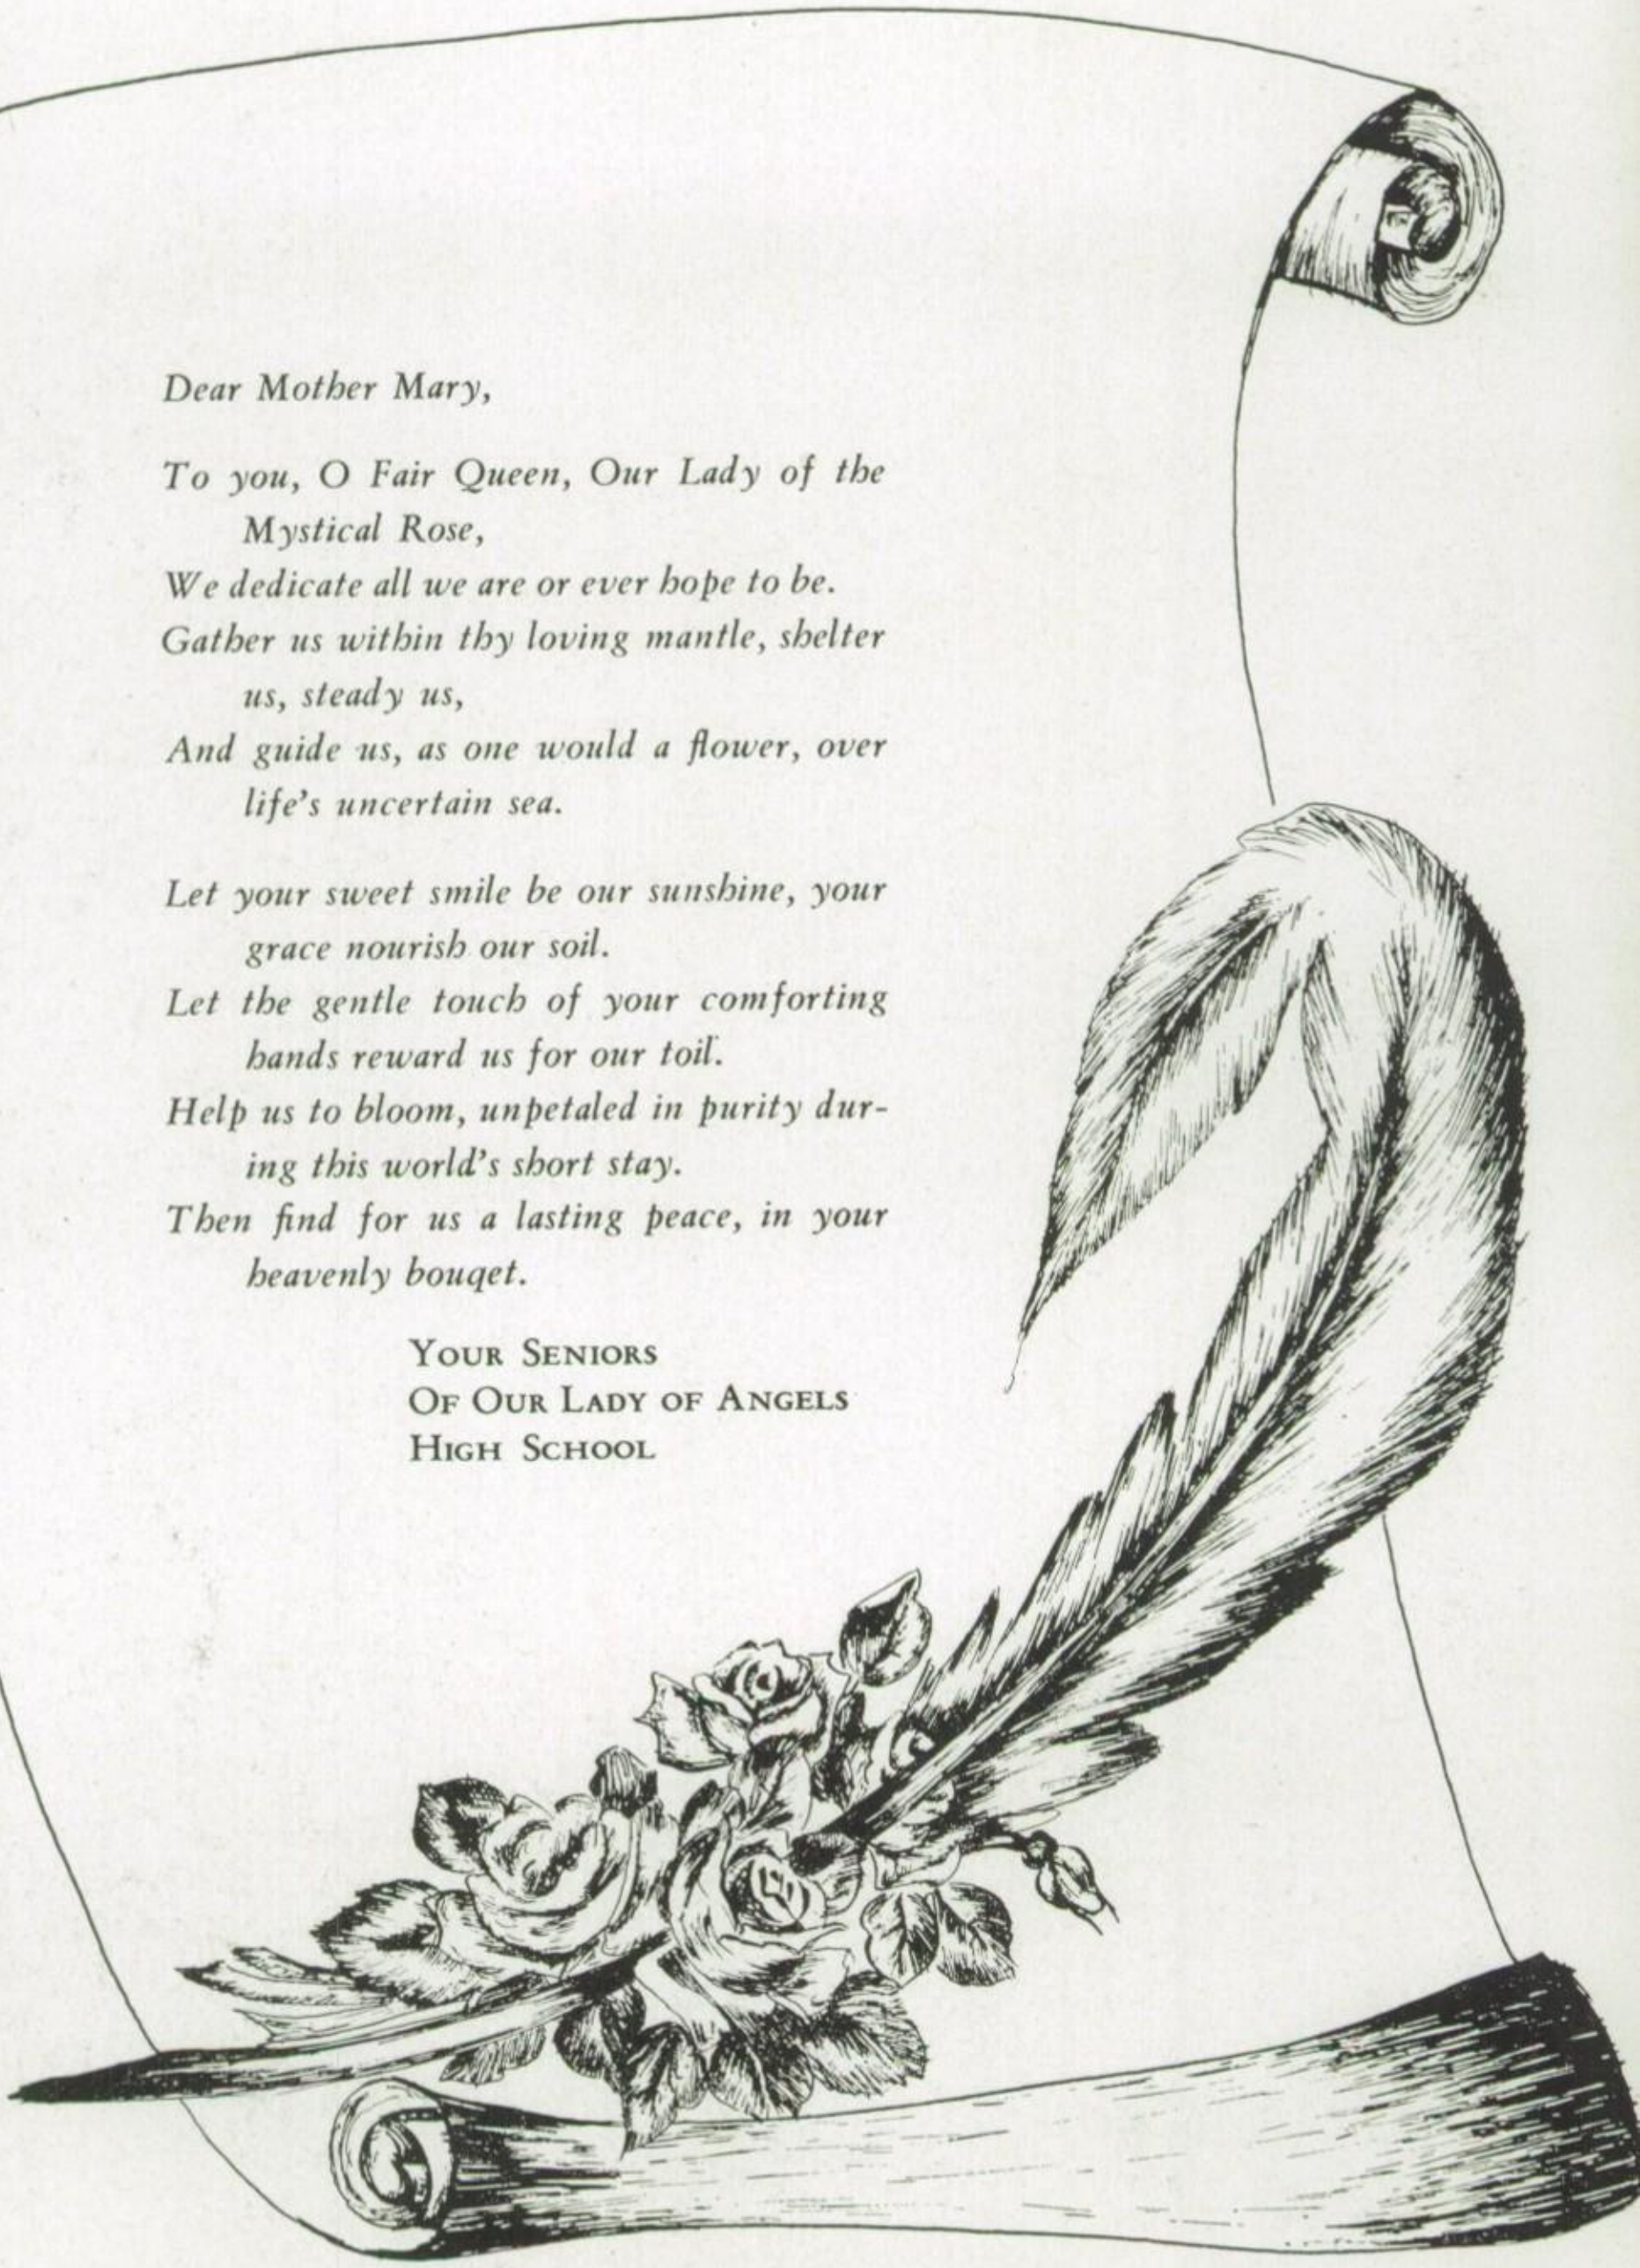
SAINT BERNARD, OHIO

Dear Mother Mary,

To you, O Fair Queen, Our Lady of the Mystical Rose,
We dedicate all we are or ever hope to be.
Gather us within thy loving mantle, shelter us, steady us,
And guide us, as one would a flower, over life's uncertain sea.

Let your sweet smile be our sunshine, your grace nourish our soil.
Let the gentle touch of your comforting hands reward us for our toil.
Help us to bloom, unpetaled in purity during this world's short stay.
Then find for us a lasting peace, in your heavenly bouqet.

YOUR SENIORS
OF OUR LADY OF ANGELS
HIGH SCHOOL



Editorial . . .

PROLOGUE: God made you like a flower, this earth to adorn; yet you are His gift, created to brighten this earth of ours and gain therefrom your passport to heaven.

'Tis time for Mary, the lovely gardener, to transplant us, the seniors, from her garden of theoretical knowledge to her terrace of practical experiences, wherein we shall follow our vocations until we die the death of all created things. Whether we find ourselves as mothers, in the sisterhoods, or in the single state of life, we need have no fear, for the time spent here at Our Lady of Angels, the subjects taken, the efforts put forth have equipped us for all things to come.

As sweet bud-like flowers, timid lilies of the valley, we entered the great valley of higher education—high school. After valiant struggles through freshman year, we conquered our initial feelings of strangeness. But there were many more months of getting acquainted with our new sophomore outlook on life, during which time we added the soft-tinted violet of realization to our education, coloring our minds, yet leaving us as humble children toward God and man. Junior year was a grand experience for us. Over night we seemed to gain courage, self-confidence, assurance. Gradually, as the glow of knowing more and the spirit of surging ahead shone brightly through us, we donned the bright, golden garments of the stalwart daisy.

Now our goal has been reached. In the final steps of cultivation, as seniors, we were bound together by the cords of pleasant memories, the links of understanding. Perhaps all of us are a trifle sad, a little blue. Clustered thus together, we go out to face the difficulties of an adult world. With a sigh of regret we bid each classmate farewell, beg her to carry on, and in time to come, ask her to remain a true "forget-me-not."

Through these years, we have been guided by the tender hands of our parent-caretakers, nourished by the sunshine of knowledge from our teachers, bathed in the rains of faith and sanctity by our pastors and priests. With renewed strength and fervor, we go forth into the world, hoping to meet once again as the "amaranthine" flowers in Our Blessed Lady's eternal bouquet.

In Appreciation . . .

Showers of roses to our parents and to our pastors for making these four years at Our Lady of Angels High School the happiest of our lives! To them we come in deepest gratitude, because they have given us the gift of an education which teaches us the true value of man—his dignity and worth in the sight of God. What they have done for us we shall always remember.

Who can repay such unselfishness, such kindness, such goodness? God alone can do so by placing these beautiful, unearthly flowers in His heavenly garden for all eternity.

"Thank you again, dear parents and pastors."

Spiritual Forget-Me-Nots

An old German song of parting has a line that runs: "Blue grows a flow'ret that is called forget-me-not; this flow'ret lay upon thy heart, and think of me." It's easily understandable, therefore, why you have chosen this flower to idealize yourselves in this, your Amaranth!

However, it is one of life's minor tragedies that we are soon forgotten after we are gone. No one can change that fact. Yet, wherever there are grounds for love and loyalty, we invariably hope that somehow an exception will be made in our behalf. But alas! There is only One who can never forget us; and that is God. Wherefore, it is safe to say that wherever two hearts are most intimately united in God, there, and there only, is the least danger of being forgotten. For the long memory of God seems to shed some of its warm rays of remembrance upon such lives!

All human endeavors fail of their purpose unless they are made to flower by the grace of God. Your education is no exception; indeed, what makes it Catholic is that very idea. Lest you forget, there was introduced into your senior year a new and inspiring textbook in Religion. Your 'Quest for Happiness' has now passed the acedemic stage, and there's much to be done in striving 'Toward that Eternal Commencement'. If you would be happy and successful in your quest there are certain things you must not forget under

penalty of being forgotten by God Himself! Picture it in this wise—

God the Father gives you a flower and says: "It's a forget-ME-not! Forget not my love toward you in creating you. Only by Faith in Me will you realize that you are more than dust!"

God the Son gives you a flower and says: "It's a forget-ME-not! Forget not My love toward you in redeeming you! Only by Hope in Me will you live a life that isn't bowed down completely in the dust!"

God the Holy Ghost gives you a flower and says: "It's a forget-ME-not! Forget not My love toward you in sanctifying you! Only by Charity operating in Me will you be able to deify the dust and make it deserving to rise again when the dust of the saints is regathered in the kingdom of God!"

Finally, there's the Lady whose raiment is the very color of the forget-me-not she hands to you, and who says: "Forget-ME-not, if you have any ambitions to remake this world so that it will more perfectly become the kingdom of God on earth! I helped so much towards that end when I was here in this world. You have reaped the fruits of my presence. Now it's your turn to let the world reap the fruits of yours! Take my advice and use the same tactics that I used. If you do, I guarantee that there will be stars on your head, and a new and better world at your feet!"

Flowers In Glory

Flaming fragrant blossoms,
Of variegated hue,
Dance among the hilltops
And bathe themselves in dew.
Tiger lilies raise their crests
In jasmine-scented air,
While gleaming roses, scarlet-flecked.
The breeze with violets share.
Cerastium runs o'er the ground,
Caresses dew-kissed moss,
And when at night the moon beams down.
The sun doth know its loss.

Flowers

from

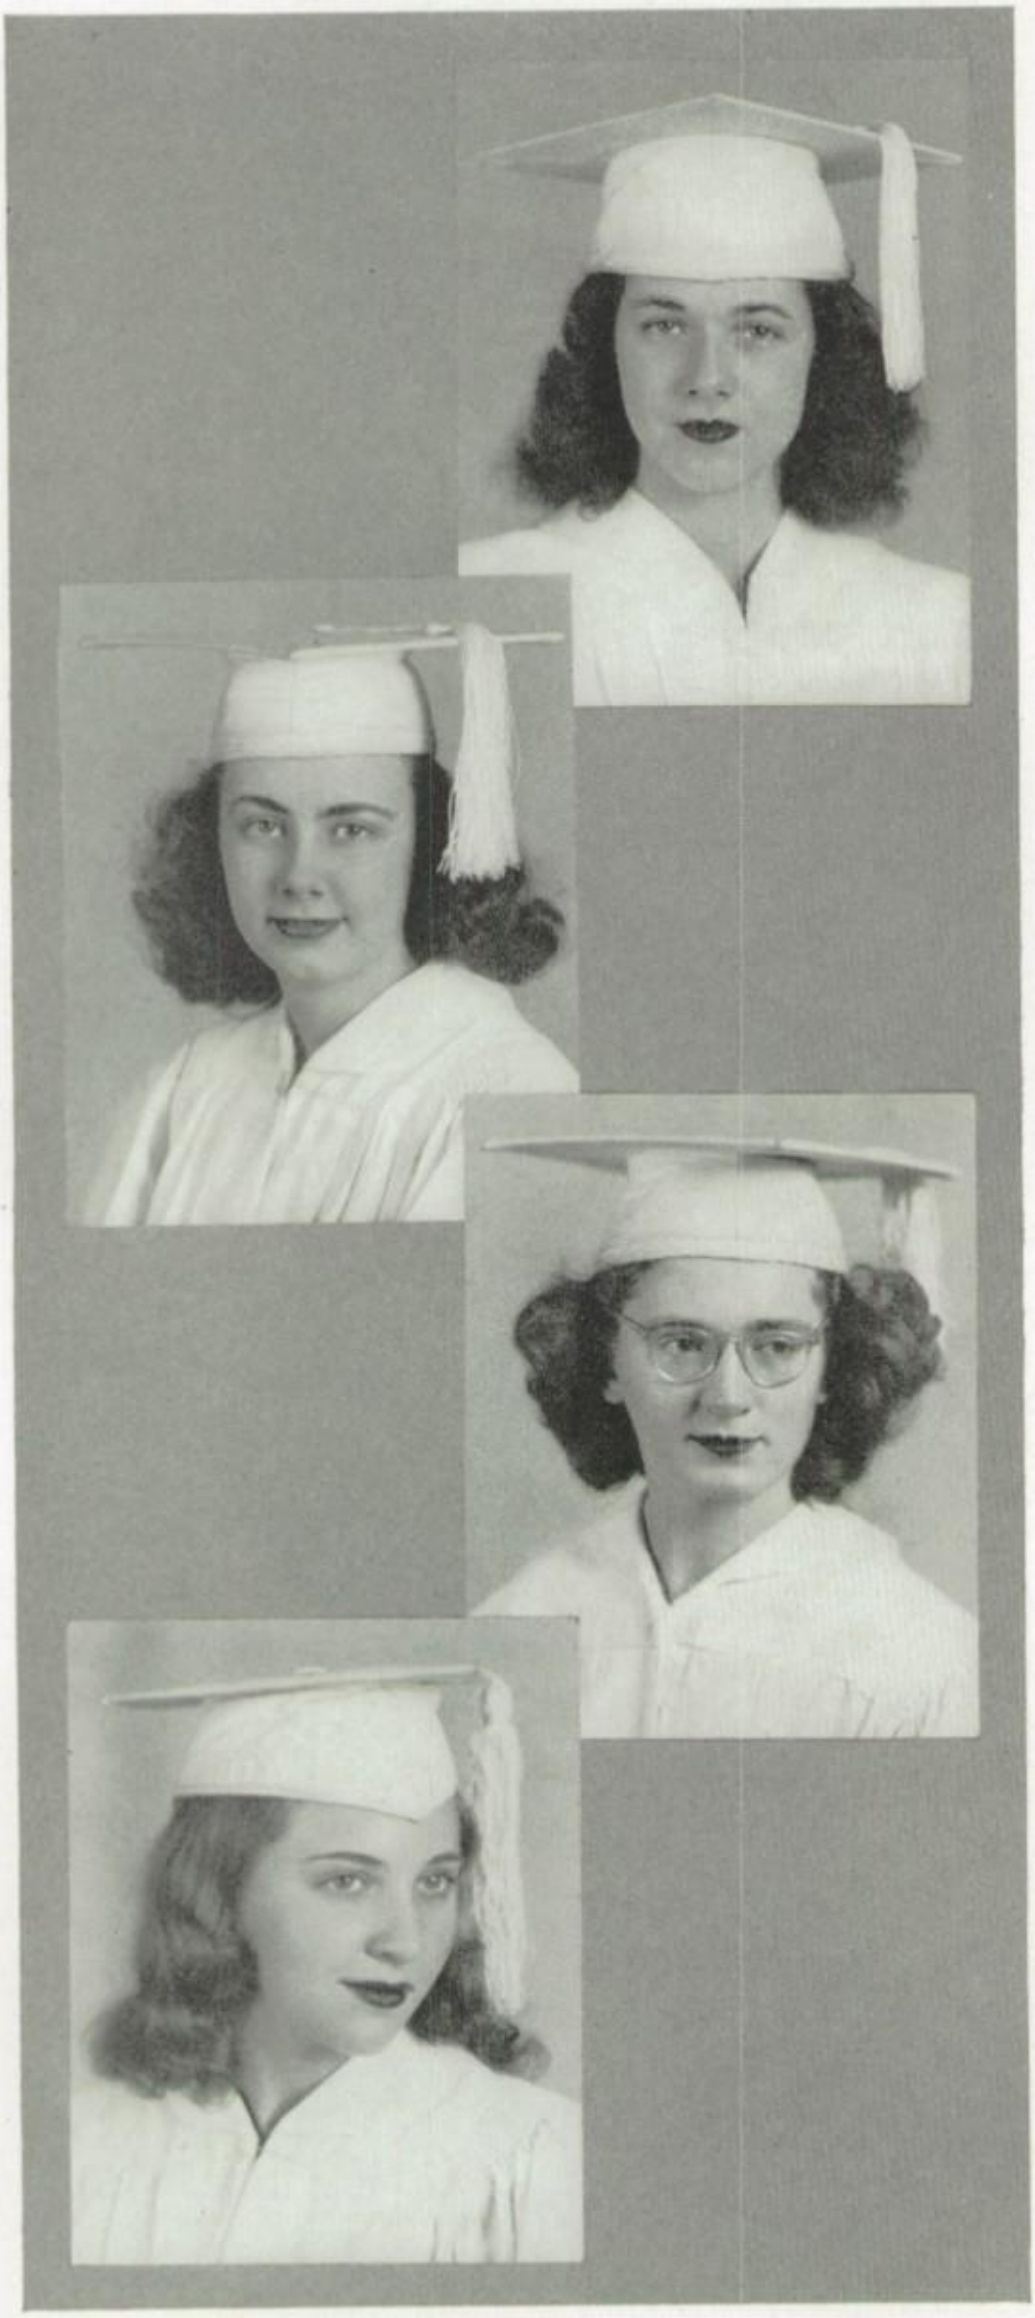
Our Lady's Bouquet

Joyce Abrams

Should have been named "Read-a-Book" since she is constantly seen with her nose between two covers. Can talk your arm off about politics. Is Sister Ann Laetitia's "Handy Andy", as the *Amaranth* and *Herald* indicate.

Alice Amann

"Speedy" (appropriately named by her best friends) loves to type, but admits she's no whiz at it. Just can't decide between stenography or becoming an "Angel of Mercy". Plays the piano quite well.



Margaret Ashcraft

"Ash" enjoys typing, and dancing slowly. Limits her telephone conversations to one hour. Carries her 5' 7" quite gracefully and sports a great big heart that goes hand in hand with her winning nature.

Margaret Backus

Marg is a typical "giggle girl". Keeps O.L.A.'s candy counter and a certain bakery in business. Going with Jean and Sis makes her school life interesting.

Virginia Bauer

Jinny is a greenish-blue-eyed red head addicted to glasses and mathematics. Sews like an accomplished tailoress and considers chemistry very interesting. Her dream is to study at U.C. and make a career of designing.

Elizabeth Baumgartner

"Liz" never complains about her reddish-brown hair and blue eyes, but refrains from discussing her nose. Frequently gets off the car or bus at the wrong stop. Never seen without Evelyn or Irene.

Virginia Berling

Our petite brown - haired, green - eyed "Jinni" plans to soar through the "wild blue yonder" as an air hostess. As quiet as a mouse, except when she's talking about that Civil Air Patrol.

Alice Bessler

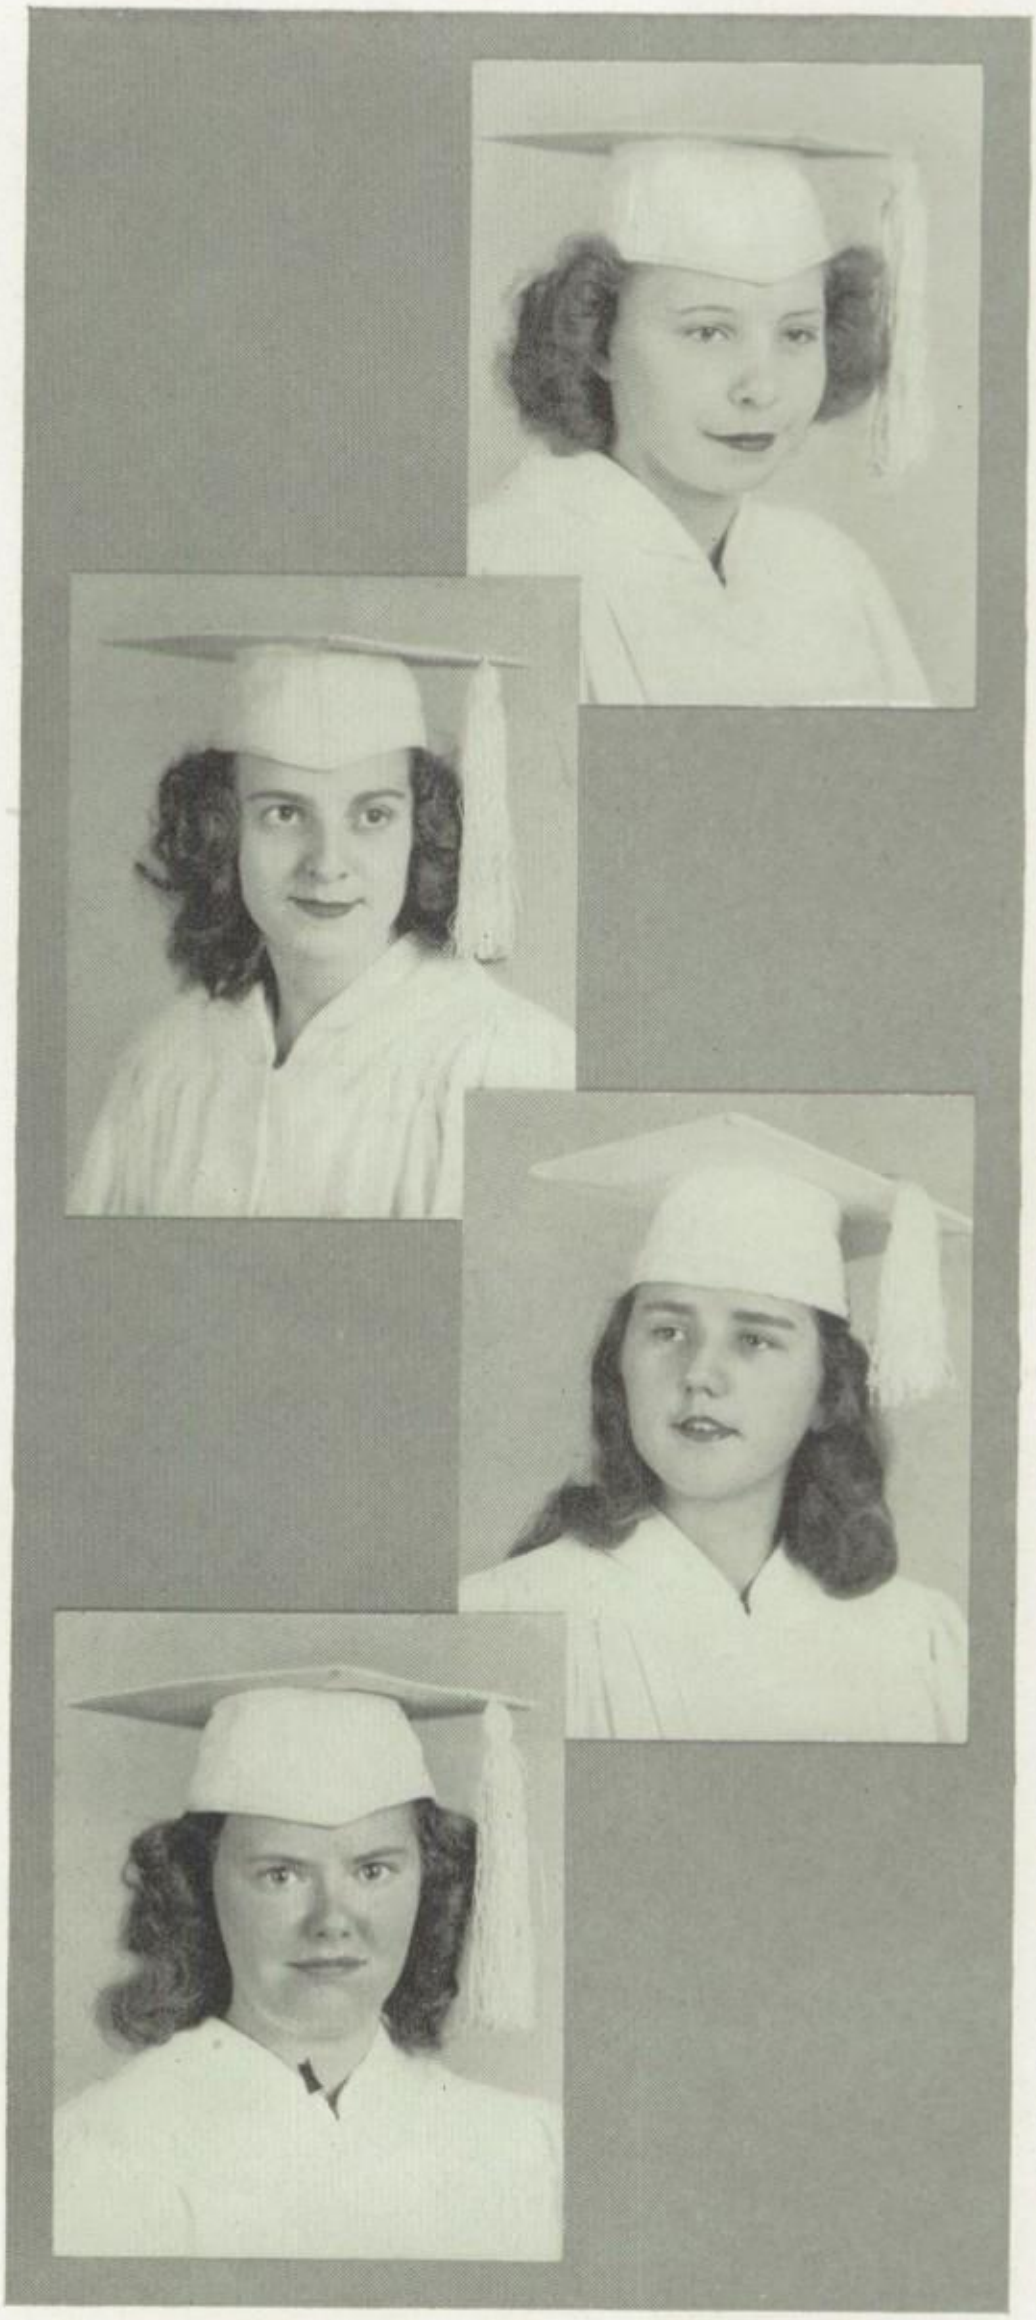
Tiny "Al" likes English and bowling. She is the very active president of the Mary Unit and a second Jascha Heifetz in the school orchestra. Has a knack for drawing and for removing fish hooks.

Dolores Betsch

"Dode" gets along well with everyone, saxaphone included. Takes all her driving lessons in a cemetery so she can't run over any live bodies. When it comes to bowling or sewing "Dode" is tops. A would-be telephone operator.

Mary Kathryn Beuerlein

"Mary Kay" enjoys breezing around Norwood Rink on her privately owned roller skates. Regretfully admits that she still hasn't learned the art of balancing herself on wheels. Lucky to have naturally curly hair.



Irene Billinghurst

When it comes to dancing, "Rene" could carry off a few prizes. Has the very *aching* habit of falling off chairs. Boxing matches and mathematics fascinate her. Intends to become an airline hostess.

Mary Ann Birn

"Birnie", better known as "the brain", is the capable editor of the *Herald*. Has very big brown eyes and very expressive eyebrows. Ought to be a Congresswoman, but has her heart set on chemical engineering at U. C.

Mary Louise Boehl

"Boll" is nicknamed "The Shadow"—a very long shadow, 5' 8¼" to be exact. Takes pride and joy in those tasty dishes she dreams up at home. Likes chemistry and nursing and rates an "A" in talking.

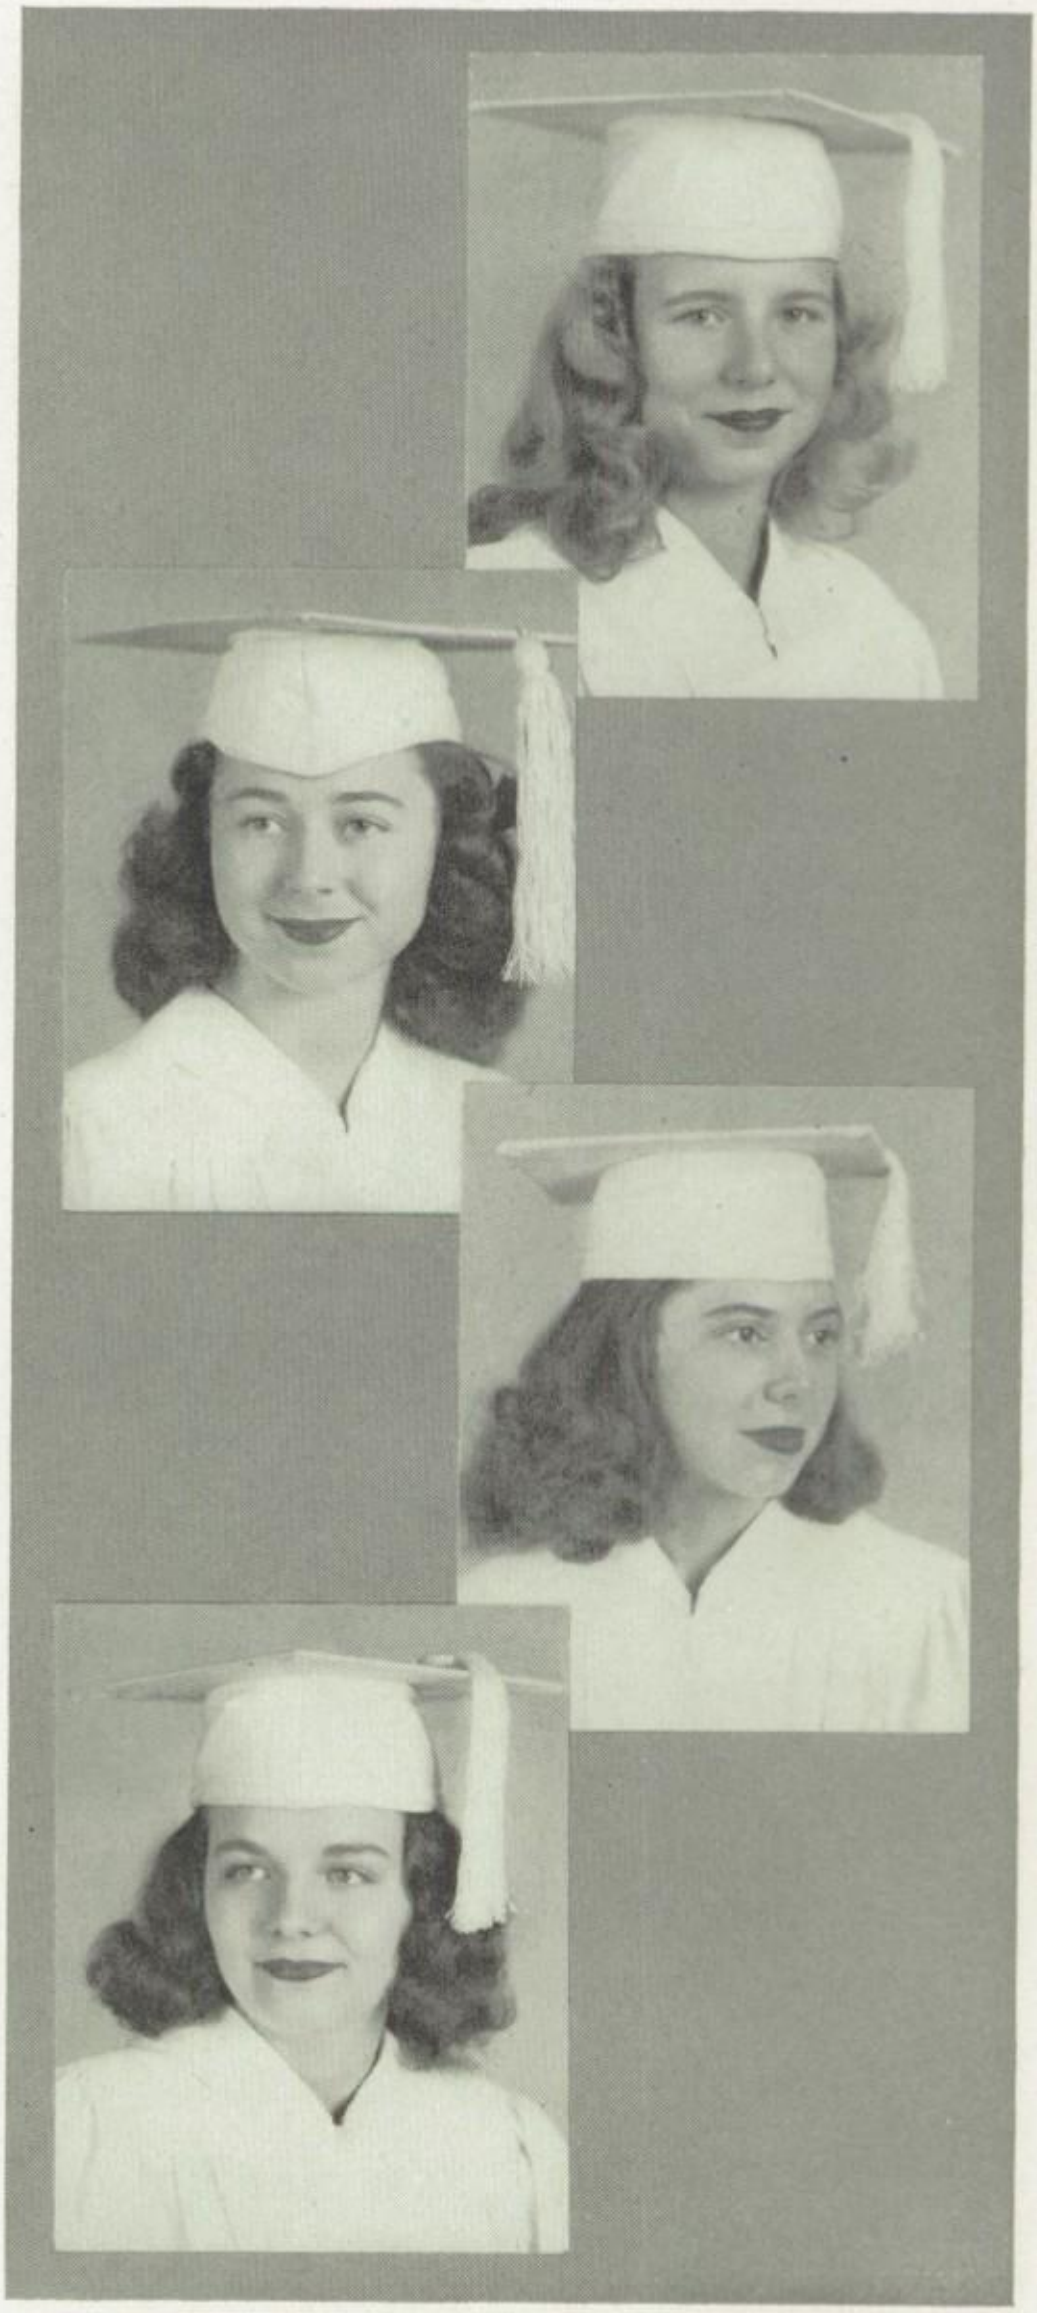
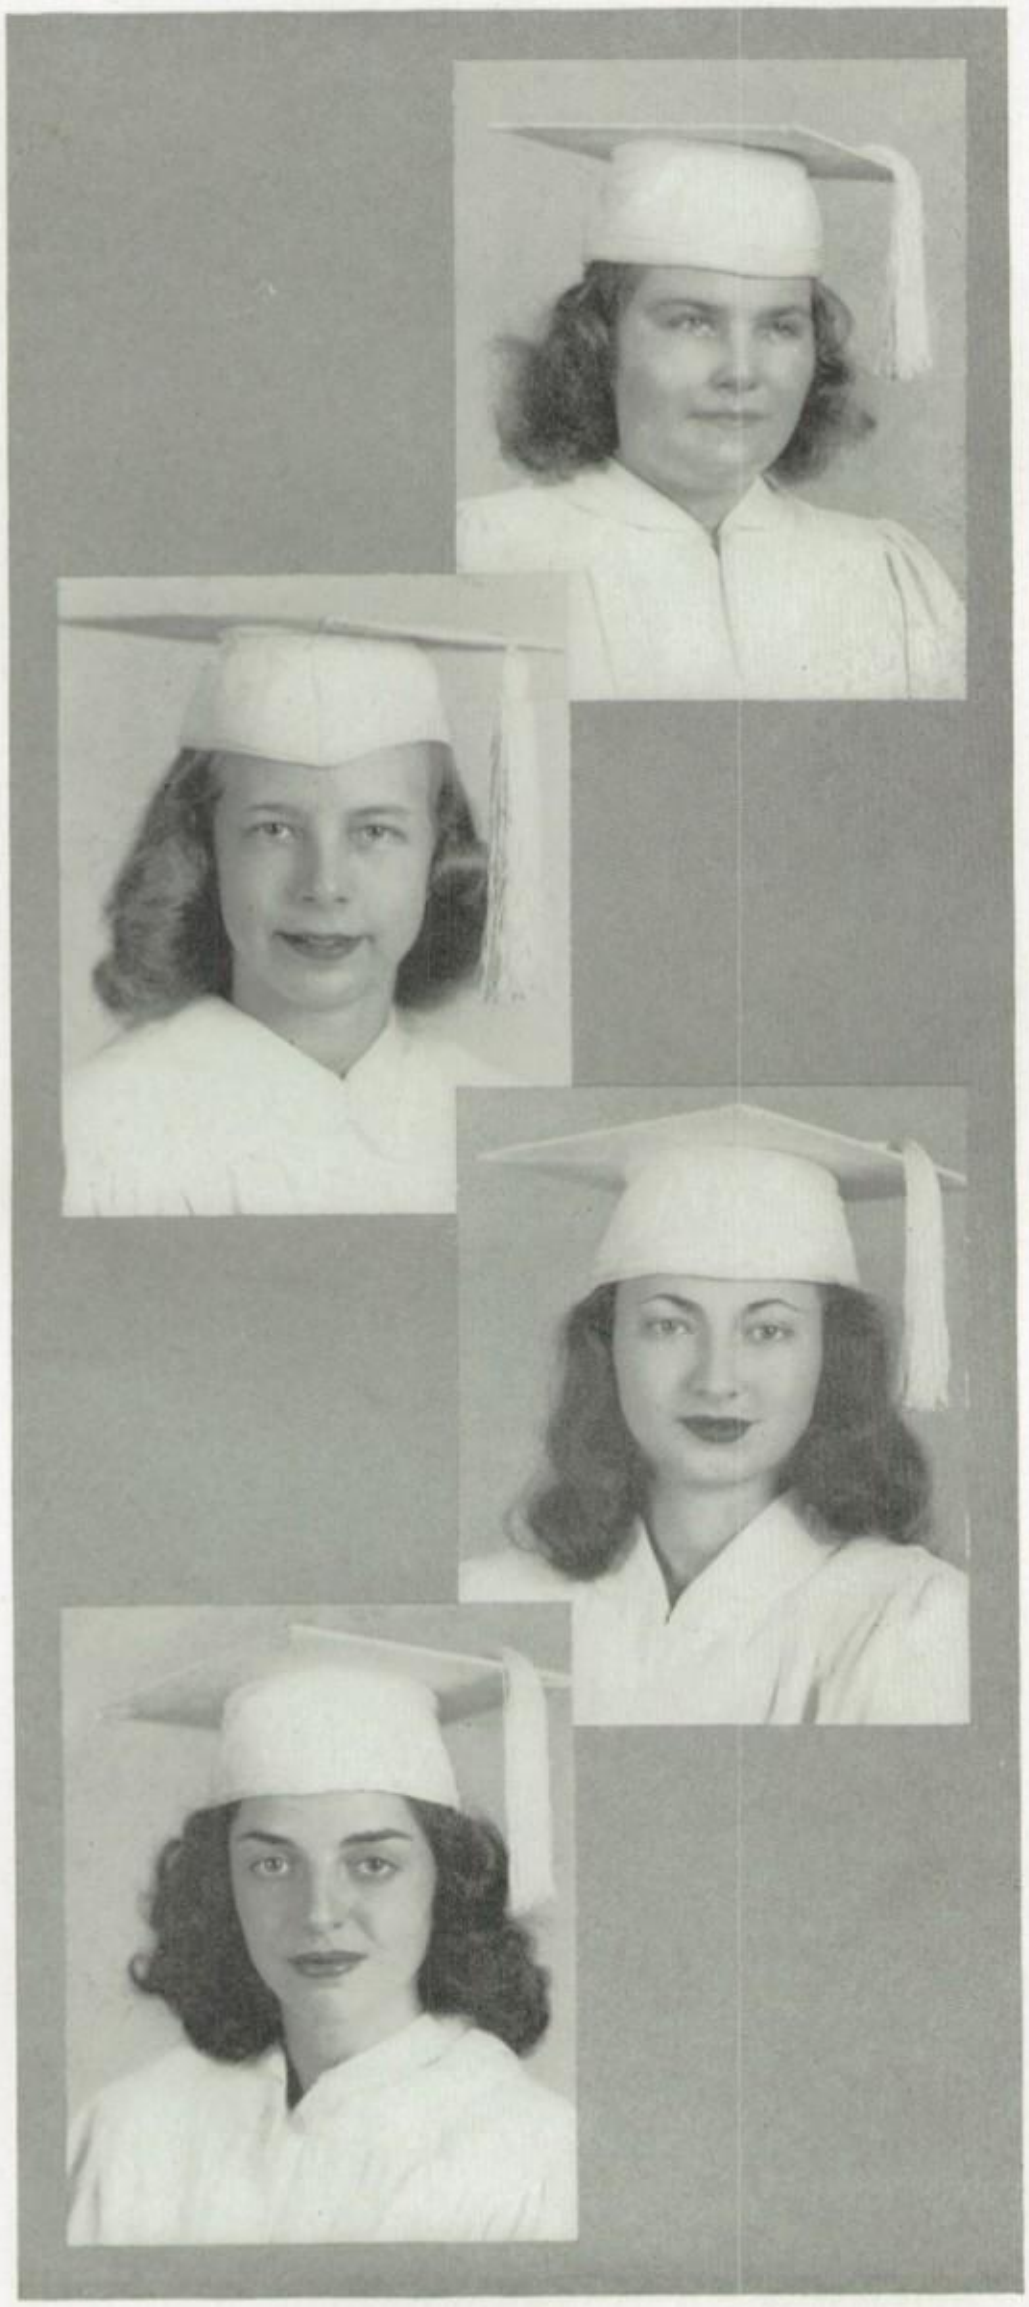
"Jeannie" is always ready for a good laugh. Can really play that trumpet of hers. Doesn't need anyone to announce her presence; that deep voice gives her away. Favors commercial subjects and driving.





Paula Bronner

Paula is a history lover and a loyal Dick Haymes fan. Dabbles in dainties during her spare-time. Biggest thrill is still her first prom. Never worries about a job for she's all set to continue as her father's bookkeeper.

Dorothy Bushmann

A combination of blonde hair, green eyes, keen wit, and a super-human speed in shorthand—that's Dottie. Most interested in the three B's, (Baseball, bowling, and Bacon.)

The art of talking comes natural to Margaret. Definitely full of fun and ever ready for a good time. Babe prefers Newport to Cincinnati and always says "No kiddin'."

Jane Rothan

"Janie" adds a merry tinkle to the band with her bells. Ambitions lie in the field of nursing. She and Alta are inseparable. Eats potato chips all the time and sings when she's happy.

Mary Lou Rucktaschel

Tall and thin, "Little Lulu" is a great fan for bowling and table tennis. Desires to attend U. C. to become a hospital technician. Enjoys nothing more than sleeping on her "logs" in chemistry class.

Dearest Lois
Lots of success
such a sweet girl
a sweet Remembrance
To Lois
Lois

Lois Rumpke

Flashy red hair and plenty of freckles—that's "Rump". Seems very quiet, but appearances are deceiving. Has an A 1 disposition that make everyone agree that she's an excellent chum.

Pauline Ryan

Polly collects post cards as a hobby, practically lives on the heater in Room 1, and is literally a whiz at geometry. Cheerfulness is her main attribute, except when it rains and her hair-worries begin.

Lillian Sarkany

Some smile! Some girl! Sparkling Sarky lives, breathes, and talks horses. Has no hair-worries in damp weather. Likes bookkeeping and hopes for a civil service job some day.

Gladys Sattler

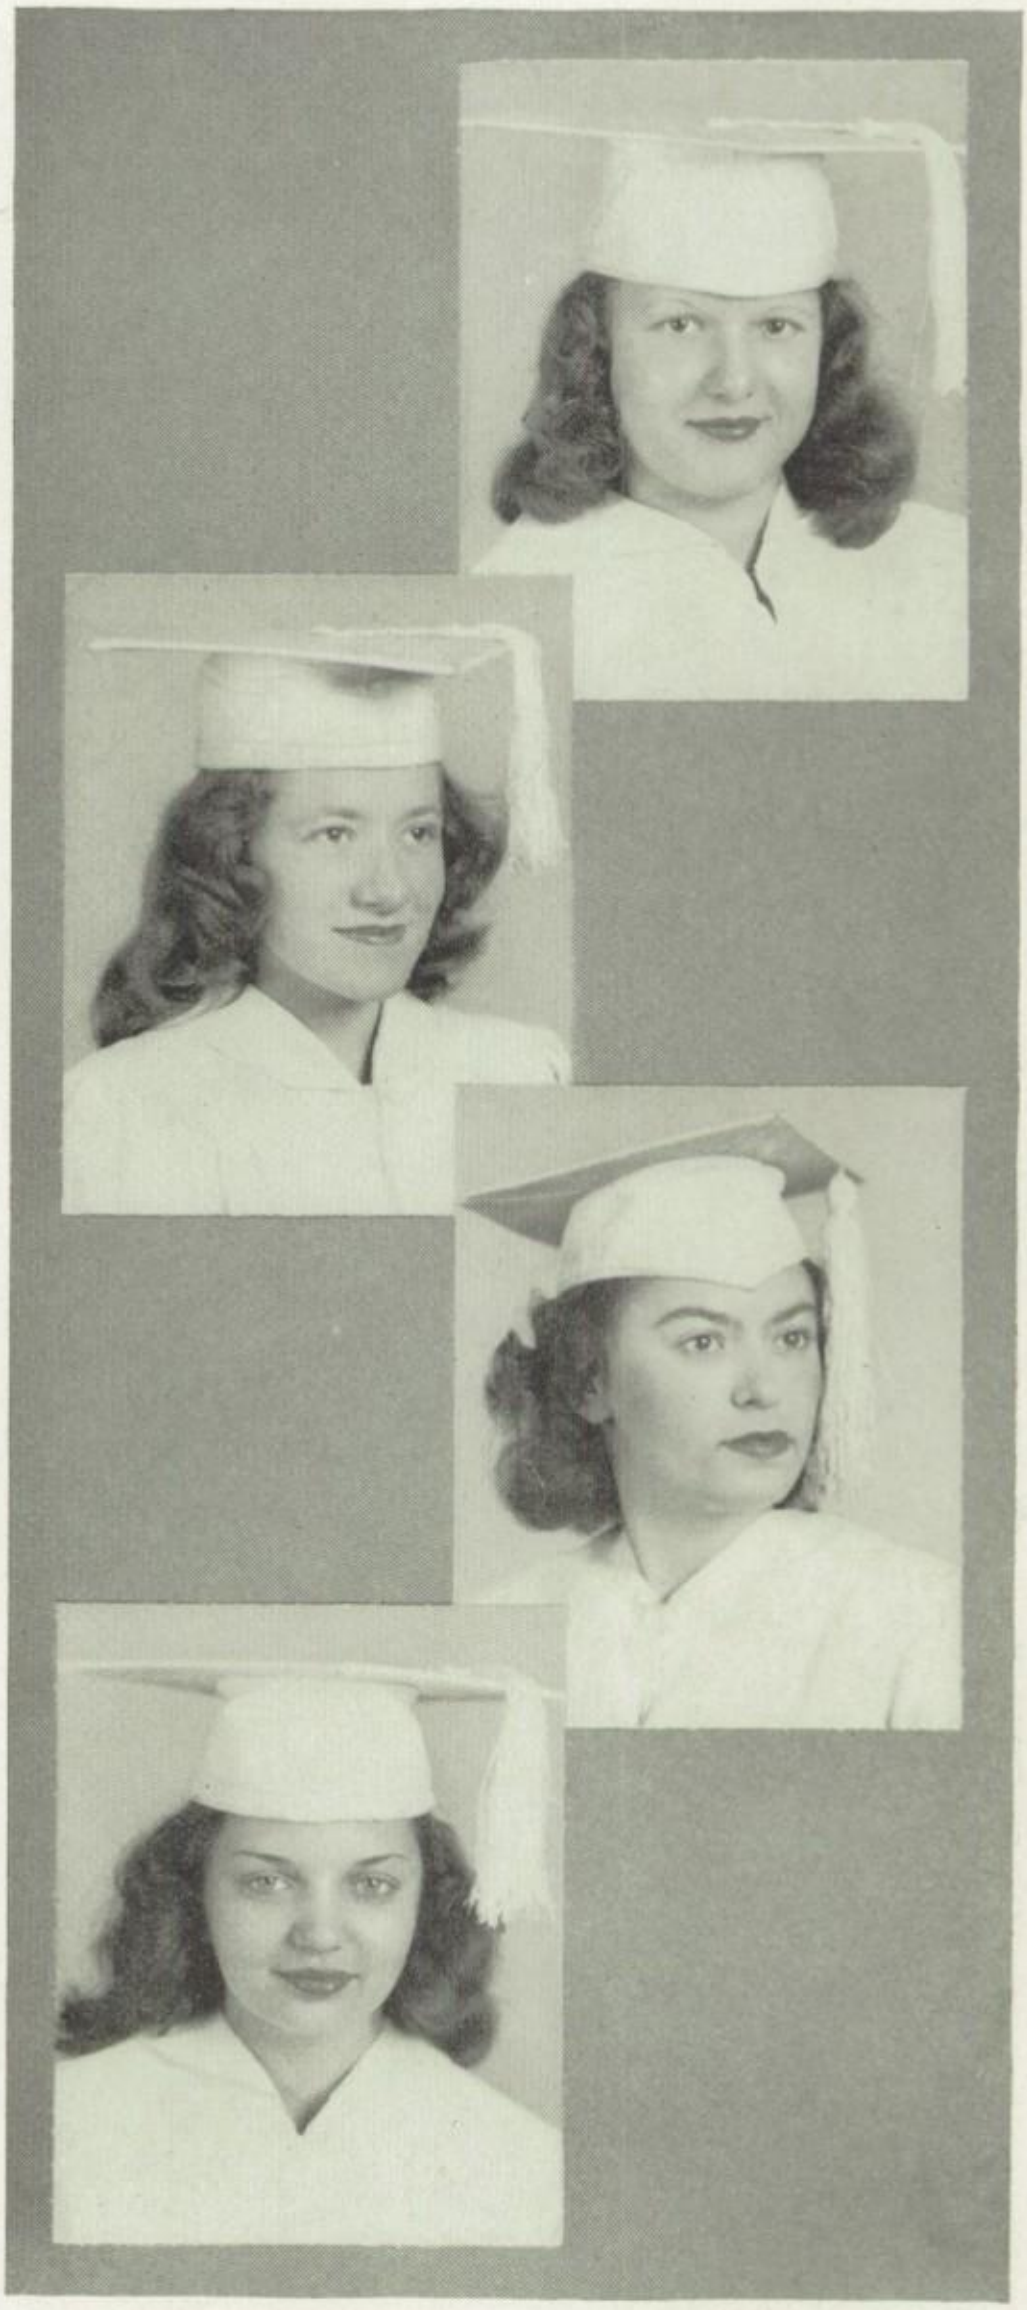
Whether in the blue and white school uniform or in the "green and gold" of the band, our little "Red" is still a cute trick. Excels in music and stenography. Would just love to be the "Boss's" secretary.

Irene Saville

A package of wit and merriment—there you have Irene. She actually likes writing compositions. We pity those who debate against our quick-tongued orator. Another Nathaniel Hawthorne.

Mary Elaine Schaffer

Talking is her favorite "subject". Constantly talks about "Romie-O and Juliet". Never seen without that Bacon "44" pin or Helen and Dedo. Pet loves: cooking and stenography.



Dolores Scheidler

Our quiet, serene, and pretty vice-president of the Mary Unit has made more friends during her four years at O.L.A. than most people make in a life time. Talk to "Doddy" for five minutes and you'll see why.

Rita Schlarman

Rita is the reliable vice-president of the Student Council. Amazingly studious. Possesses a lovely voice. Would like to do nothing but ride, swim, and eat White Castle hamburgers.

Jean Schmitz

Gifted with a fine sense of humor. Insists that she owns stock in the Cincinnati Street Railway because she contributed a four-year supply of nickels. She and "Spider" make a hilarious team.

Jeanne Anne Schon

Sings "This is Always" after riding the Bacon Special. Is really lots of fun. Can't keep still about that "Wonderful Camp Washington". A very able musician is *Krej*.

Jean Schuer

Jean is Sena's girl, "Friday". Good looks, shining brown eyes, and dizzy bangs—put them all together and you have Jean. Enjoys anything from basketball to jokes.

Margaret Schultz

Answers cheerfully to either Marg or "Breezy". Is the distinguished and enthusiastic secretary of the C.S.M.C. A prominent member of Saint Clement's band and Sturm's special buddy.

Dolores Sena

"Did you see that Jean Schuer?" When you hear that question you'll know that Dolores is near. Her favorite song is "For Sena-mental Reasons". A very capable Student Council member from Room 4.

Catherine Speidel

Nice things come in small packages. Whole-heartedness, earnestness, and lively sense of humor are in this "small package". You can just about hear "Katy's" tiny voice, but look out when she's angry at Shakespeare.

Ruth Spindler

Vivacious Ruthie is always present where people are having a good time. Smiles her way into everyone's heart and keeps a watchful eye on her pal "Skinny". Says "Oh, golly", whenever she's worried.

Anna Starzynski

"Dimples" is a soft-spoken girl, addicted to U. S. Navy Blue. Always ready to "cut up" with her friends. Is cheerful and pretty. Proud of that picture in Young and Carl's window.

Jewel Ann Stoeppelman

Our "long-haired" orchestra directress plays piano like Chopin, answers to the name of "Dolly" and likes to teach "Tippie" new tricks. Plans to enter college for at least one year after graduation.

Mary Strobl

"Smoky" is not only an able majorette for Saint Clement's band, but she's also a valuable asset to O.L.A.'s sport section. Noted for her beautiful all-year round sun tan.

Mary Jane Sturm

A sweet little dish who likes anything from Guy Madison to dill pickles. Give her food, in any shape or form; then watch her eyes light up as she shakes her blonde hair happily. Couldn't live without Marg or chocolate sodas.

Evelyn Thien

"Bebby" is a sports enthusiast, a regular dynamo on a dance floor. Brags that she's 5'2" tall, but we have our doubts. She's right up front at all the boxing matches when a certain "you know who" participates.

Hilda Trainor

As cute, quiet, and little as anyone can possibly be. A friend to any and all—yes, that's Dolly. Really knows the ropes in selling,—when it comes to being a pal! Ask Ginny, she knows.

Frances Unkraut

"Fran" loves to dance, laugh, and make everybody happy. After leaving school, she wishes to become another "Florence Nightingale". Her favorite sport is bowling.

Joan Vassolo

"Joanie" is small in build but large in word power. Meeting interesting people is a "must" in her life. Loves to eat Hershey bars and banana splits.

Dolores Vonderhaar

"Vonde" wasn't passed up by the Lord when He gave out musical talents. Plays a "squeeky" violin in the orchestra and a "loud" bass drum in the band. Always seen with the "gang".

Mary Jane Von Hagel

"Janie" is, well,—Just Janie. One girl who needs no words of praise to make her dearer to the hearts of her classmates. She's a real pal and the best school president ever.

Betty Wachter

"Wack's" favorite question is "Do you have any gum." Has shown her ability as an artist on the *Amaranth*. Is quite blonde, enjoys music, dancing, and sports, especially the St. X variety.

Naomi Wagner

A tall, brunette who doesn't understand Shakespeare. "Nicky" prefers watching tennis matches to regular activity. Intends to take a post-graduate course in business and to become an office grinder.

Marie Werdmann

"Tootie" not only directs the glee chorus and acts as assistant directress of the orchestra, but she also plays any kind of musical instrument imaginable. Could possibly be hospital-minded.

Claire Whalen

Claire is the girl who looks good in a gym suit or a formal. Very, very, sports-minded. Pet peeve: Math class. Member of the band, orchestra, and G.A.A. board. Just loves Mert.

Dorothy Wieland

Buying new dresses is Dotty's favored pastime. Fears she'll blow up the chemistry lab someday when Sister Marina isn't looking. Plans to study Business Administration at U. C.

Jean Wietmarschen

Jean would like to dance, bowl, skate or listen to Vaughn Monroe's records for the rest of her life. Has that certain feeling for hot fudge sundaes and Pat.

Shirley Wittkamp

"Witts" has eyes that change color and an amazing talent for sewing. Business manager of the *Herald*. Would like to spend the rest of her life eating pork chops and chili with Annie.

Betty Jane Witzman

Just say "Golly" and immediately you'll think of "Witz". Collecting clothes consumes all her spare time. Usually seen dancing with Pat (or one of the Gartners). Definitely likes College Hill.

Dorothy Woerman

Blonde, blue-eyed Dot likes to play her clarinet in orchestra or in band. Has decided that the best diet anyone could have consists of grilled cheese sandwiches and chocolate milk shakes. Dolly's faithful chum.

Mary Wuest

You may call Mary shy, but when she starts talking about the Civil Air Patrol you change your mind. Wouldn't like being away from Katy or Jinny. May be a switch-board operator.

Mary Irene Young

"Keeper of the Books" may rightly be Mary Irene's title, for she keeps our book store buzzing. Hails from St. Bernard, is an ardent Bacon fan; and doesn't like to be teased about being small.

Angelina Zamichiei

Dark eyes with soft lights, and a smile for everyone—that's the most vivid picture of our "Dede" we can paint. Owns a very unusual voice and is greatly admired by Shirlie and everyone else.

Juniors

DAISY CHAINS

A spring morning . . . a soft cool breeze . . . a field of radiant daisies . . . golden heads throbbing with the joy of another sunrise—these might well be the chain of events in the high school career of the average O. L. A. junior.

The sunrise that each of these girls has dreamed about is not far off. Within a short time each of these daisies will take her respective place in the meadow of senior knowledge and flourish therein in sturdy, leader-like fashion.

AS the sands of time pass through the hour-glass of life, so too, our little lilies of the valley have blossomed into confident wood violets, bobbing back and forth from one obscure spot to another. Of course, April showers of geometry, Latin II, and biology caused a few of them to wilt, but on the whole, most of them are surviving.

May Mary give them strength to retain their sweetness and shyness and may she ever continue to guide them into fertile fields of spiritual and educational accomplishments.

Freshmen

LILY OF THE VALLEY SPRAYS

Fragrant, delicate lilies of the valley—these are our freshmen. Like innocent blossoms they came to high school, timid and untried. Like innocent blossoms they were afraid to raise their heads above the flowers around them. By degrees, they became accustomed to school life, to new activities—their first retreat, their first high school dance, and perhaps their first date. They made friends quickly, these freshmen; and soon they took their rightful places in Our Lady's bouquet.

With tender care and gentle help these lilies of the valley will surely blossom into fruitful, gracious womanhood.

RETREAT PETALS

JUST AS A HYACINTH symbolizes victory over sadness, so, too, did the words of our poet-editor retreat master, the Rev. Hyacinth Blocker, O. F. M., inspire us to attempt a real conquest over worldly temptations. Surely, if we put ourselves in the presence of Mary, we shall always remain steadfast and good. And when the lovely gardener, accompanied by her Divine Son, finally comes to pluck us, we shall feel certain that the 1947 retreat at Our Lady of Angels prepared us in proper fashion to walk steadily, but surely, along the eternal path to heaven.

Eucharistic-Our Lady Unit

The Eucharistic—Our Lady Unit, more commonly known as the "Mary Unit," has as its principal aim the work of helping each and every girl at school to become more like Mary, the Mystical Rose.

The outstanding attraction for this year was a "living rosary," an outdoor procession held in honor of Our Lady, Queen of the Rosary. Mary Days, held at various times during the year, special projects for encouraging daily visits to chapel, and two tax stamp drives also formed a part of the activity schedule of the "Mary Unit."

The genuine enthusiasm and cooperation with which the girls participated in these affairs encourage us to feel that we have been successful in our efforts to bring about a closer union between Mary and her girls. Consequently, as 1946-1947 draws to a close, it is our earnest hope that as the girls go forth from Our Lady of Angels the memory of the "Mary Unit" and what it represents will stand before them, leading them ever to be be Mary-like in thought, in word, and in deed.

Catholic Students' Mission Crusade

Three tiny "buds"—prayer, work, and sacrifice, symbolizing the three-fold purpose of the Catholic Students' Mission Crusade, nourished through the cheerful efforts of the girls of Our Lady of Angels, have this year blossomed forth into fragrant flowers. Prayer, stemming from our monthly vocation Masses, unpetalled blossoms of prayer, Masses and Holy Communion. Work budded forth through socials, the traditional Christmas party for the children of St. Anthony School, collections of clothing and the Oratorical Contest. Sacrifice became a beautiful flower through the Lenten Self-Denial Fund and the weekly mission collections.

These are but a few of our charitable enterprises, and through these means we have humbly put our C. S. M. C. unit into an everlasting bouquet for Our Blessed Lady.

Student Council

"Not For Ourselves, But For Our School"—these are the two phrases which guide the function of the Student Council. Whenever discipline is exercised, good fellowship promoted, or harmony exemplified, these two phrases regulate the intention of such acts. The Student Council is the link between the faculty and the student body. It endeavors in every way to promote the interests of the students. All activities, such as dances, social drives, honor system, and various campaigns, are under the direction of the governing board.

All in all, the Student Council strives to maintain the high standards of the school, promote the interests of the students, and introduce extra-curricular activities.

We, the governing board of 1946-1947, have tried to do these things for you to the best of our ability. Were you satisfied with our endeavors? We sincerely hope so.

Girls' Athletic Association

In the minds and hearts of many of the girls, O. L. A. would not be complete without the Girls' Athletic Association. It provides fun, physical aid, and the idea of competition. Among the many sports offered to the girls are volleyball, basketball, bowling, and swimming.

The Board of 1946-1947 would like to express to the girls a hearty "thanks" for helping us make the sports year a success. May we say to the future girls that being a good sportsman does not include the number of points you made in a game, but how you fought and played for your team.

SPORTS

Sports in general do play an important part in the daily life of every O.L.A. girl. For we thoroughly agree with our stalwart neighbor, Roger Bacon—"a sound mind in a sound body." We feel too, that sports have aided us academically for only those achieving a scholastic standard were allowed to participate on the varsity teams. Our characters also have received a bit of polishing for defeat or victory had to be met valiantly. Thus we feel that sports have made us "bigger, better, braver."

Volleyball

"Rotate," "You serve next," "Let serve" are familiar words to the interested volleyball fan. Inasmuch as there were so many girls who tried out for this sport this year, it took quite a while to choose the varsity team. And what a team! They were victorious in all of their seven games.

Yes, this volleyball team was really "on the ball." Let's hope for another equal next year.

BARBARA CISKO

Basketball

Zip! Zip! Zip! Team make the baskets Hurrah! Yes, Our Lady of Angels can rightly be proud of her basketball varsity this year. LaSallette Academy, Seton, Regina, Newport, and Mt. St. Joseph College lie dejectedly in the varsity's path of victories. We also entertained the Alumnae.

Our future varsity members, namely the freshmen, did quite well, too. Even in defeat, they are wonderful sports.

Keep going, girls!

RUTH MEYER

Individual Sports

Ping! Ping! That is the sound many of you have heard in the gym during lunch hour and after school. Reason? Why the single table tennis tournament is at hand. And we see none other than our Patricia Gartner as victor. Holding second place is Ruth Meyer. Congratulations, girls, for the fine work!

Let us hope we have as big a turnout for the double table tennis tournament as we had for the single. To every girl who participates, "Good Luck!"

HERE SHE COMES

Senior Class Play

Mystery, humor, abduction, romance,—all are woven into the pattern as the dual personality, synonymous with Stevenson's classic, "Dr. Jekyll and Mr. Hyde," unfolds in feminine character, in more pleasing personality, as Nickie Brooks and Maritza Lopez, in the portrayal of "Here She Comes"—the Senior Class Play. Framed in the bright setting of balmy Southern California, Nickie becomes in turn—college co-ed, daring stunt performer, and finally, idol of the stage and screen.

Prayer to Saint Fraucis

Father Saint Francis, thou great friend of God,
O, teach us the ways that are right.
Thou lover of God and of God's gifts to man
Grant us a share in thy might.

Teach us to see God in all that we do
In nature, in pleasure, in pain.
Help us to live as thou didst when on earth
The wealth of this world to disdain.

Teach us to follow the footsteps of Him,
Who taught thee the true way of life.
Help us to hold fast the truths of our Faith
And valiantly overcome strife.

Woodland Notes

Have you ever gone into the woods on a lovely spring day? Of course, you have. Remember how thrilled you were to hear nature's symphony? The rippling waters, the friendly chirp of birds, the rustle of leaves in the gentle breeze—all these were music to your ears.

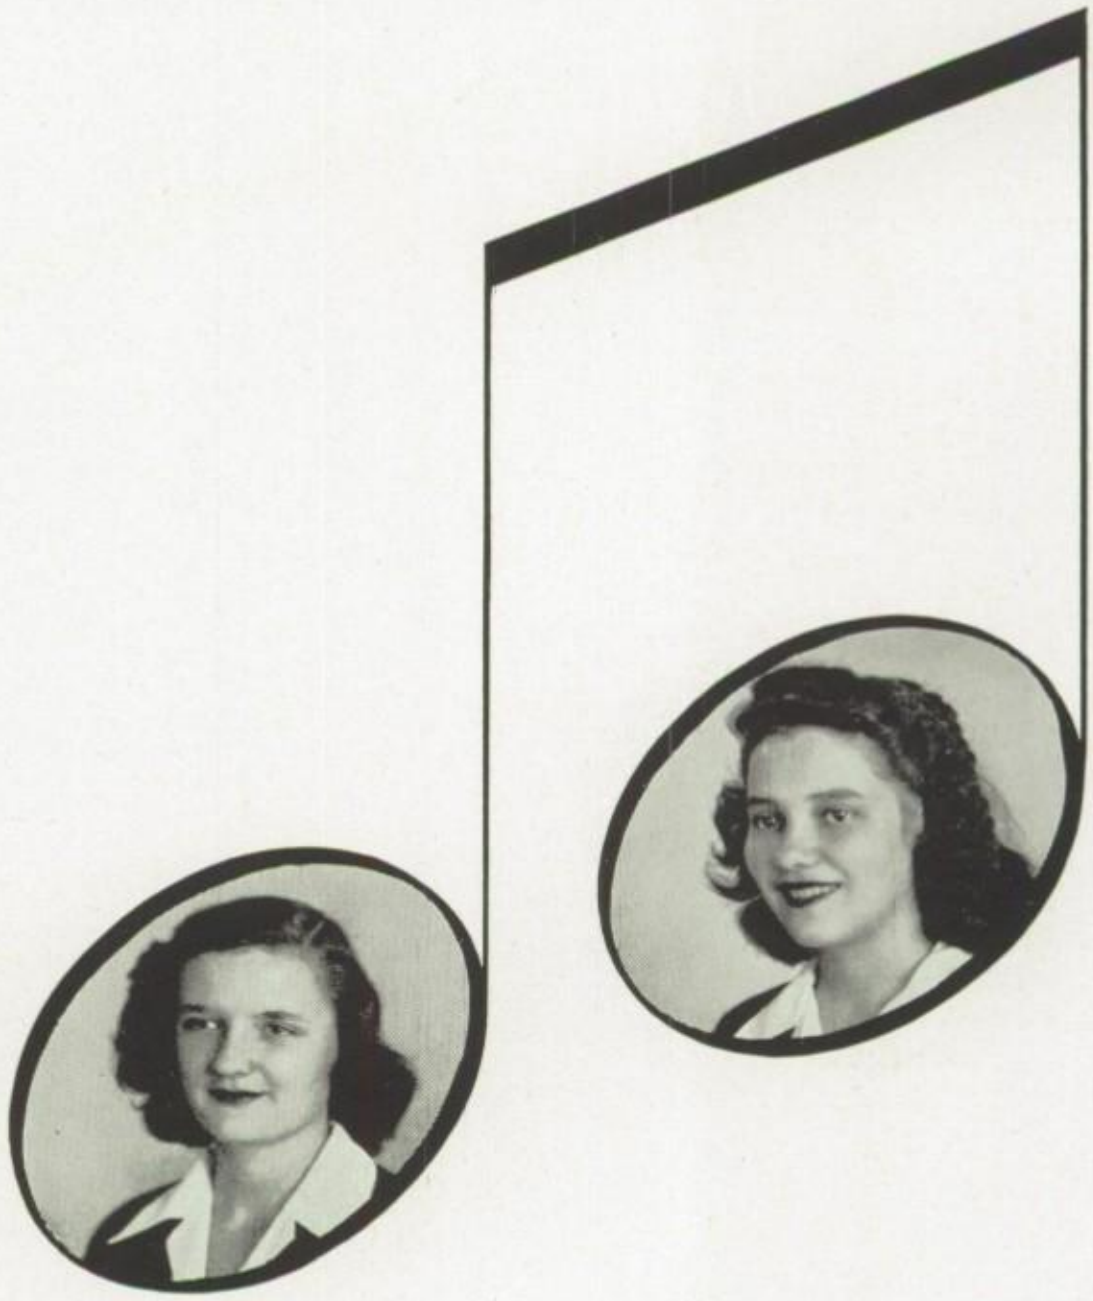
Here at O.L.A. we, too, have had our own little moments of music, furnished so willingly by the members of the Glee Chorus, the orchestra, and the band. Their respective contributions during 1946-1947 to the Holy Name Rally, to Parents' Night, to Roger Bacon football

games, to the Mother-Daughter Luncheon at Netherland Plaza, to the P. T. A. Christmas Party, to "It's Fun to Learn" radio broadcast, to the C.S.M.C. conference at Roger Bacon, to special recitals, to the Senior Class Play, "Here She Comes," and to Class Night soon will be but happy memories.

Let us hope, though, that at some future date these experiences might be a constant source of delight to us. Let us hope that

". . . . when on my couch I lie
In vacant or in pensive mood,
They flash upon that inward eye
Which is the bliss of solitude."

Then, like Wordsworth of old, our hearts with pleasure will be filled because of those treasured musical moments.



. . . KEY TO PICTURE INSERTS . . .

It was with much ado that we assumed one of our civic responsibilities that of voting. Of course it was a bit anticipated since legally we were not of age. However, since it concerned student selectees it was judged right and proper that we vote. And vote we did. The result of our suffrage power is presented as pictured on pages 16, 56, 59, and 63.

Symbol of Service and Opportunity

In an organization like the Telephone Company, EVERY job is important! That's why each year so many high school graduates choose telephony as a career. They know a job with the Telephone Company offers not only good wages, regular raises, excellent working conditions, vacations with pay, and opportunities for advancement, but a chance to be of real service to their community as well.

If you are interested in a profitable business career, NOW is the time to begin!
